If the name in any of the above certificates (under items 3 or 4) is different from that under which the applicant is already registered with the SLMC, a letter from the authority issuing the Specialist Certification, endorsing that he / she is one and the same person and an affidavit signed by the applicant and certified by a Justice of peace endorsing that he / she is one and the same person.

B. Notes

1. The Sri Lanka Medical Council maintains a Register of Specialists under the provisions of the Medical (Amendment) Act No 28 of 2018, in order to inform the public of medical and dental professionals with specialist qualifications.
2. Only Medical and Dental Specialists who are eligible to be registered by the SLMC under Section 39A of the Medical Ordinance (as amended) will be considered.
3. The criteria for inclusion, as set out in Section 39A of the Medical Ordinance (as amended) are as follows:
 - a. A medical practitioner registered under Section 29 of the Medical Ordinance, who possesses a qualification required for Specialist Medical Officer Grade, as specified in the Medical Service Minutes published in *Gazette* No 662/11, dated May 17, 1991

and amended from time to time, the last being in *Gazette* no 1883/17, published on October 11, 2014; or

- b. A dentist registered under Section 43 of the Medical Ordinance, who possesses a qualification required for Specialist Medical Officer Grade, as specified in the Medical Service Minutes published in *Gazette* No 662/11, dated May 17, 1991 and amended from time to time, the last being in *Gazette* no 1883/17, published on October 11, 2014, or
 - c. A medical practitioner registered under Section 29, or a dentist registered under Section 43, who has completed specialist training in a country other than Sri Lanka, whose specialist qualification satisfies the eligibility criteria of the Postgraduate Institute of Medicine of the University of Colombo and is issued a Certificate of Accreditation in respect of Board Certification by the PGIM or
 - d. Any person who has obtained a basic medical or dental qualification from an institution, in a country other than Sri Lanka, which is recognized by the SLMC, and whose specialist qualification satisfies the eligibility criteria of the PGIM and is issued a Certificate of Accreditation in respect of Board Certification by the PGIM.
4. All applicants are required to provide proof of Board Certification from the PGIM (those falling under items 3a and 3b above) or proof of award of equivalent qualifications and having held posts as specialists (those falling under items 3c and 3d above).
 5. Applications made under Item 3c and 3d above will be referred to the PGIM by the SLMC for consideration by the PGIM's Accreditation Committee. Such applicants shall be required to pay a fee to be determined by the PGIM for issuance of a Certificate of Accreditation.
 6. The specialist categories recognized at present are listed in the Annexure
 7. Once the application has been approved by the SLMC, a certificate confirming inclusion of the applicant's name in the Register of Medical / Dental Specialists will be sent under registered cover to the address recorded in the SLMC Register.
